

Maths

- Make up some true or false fraction questions to ask the class.
- Measure the perimeter of a part of your house – garden, kitchen, your bedroom etc. – Now can you work out the area?
- Write out a times table between x7 and x9. Can you learn them by heart?

Science

- Create a mnemonic for the planets of our solar system.
- Go sound walk and record the sounds that you hear.

English

- Write a short story (300 words). Make it an adventure story based in space.
- Write a Limerick about an Anglo-Saxon king.
- Using sound and hearing as your theme, collect words and make a word search

History/Geography

- Create a map to show the different regions of Britain in Anglo-Saxon times. How do they compare to modern day regions?
- Create a fact file about the battle of 1066.

Class 2 Homework Choice Grid

SPRING 2022

Star Gazers

Choose at least 3 tasks to complete!

Creative Activities

- Design and create and make a piece of jewellery from Anglo-Saxon time.
- Write a rap, song or poem about perseverance.

Let's Get Busy!

- Design/make a model of an Anglo-Saxon helmet.
- Find out and write down ten amazing facts about the finds at Sutton Hoo.

Health and Wellbeing

- Design a wake and shake routine that lasts 10 minutes to teach the class.
- Create a meal plan for a healthy Anglo-Saxon feast.

Making And Doing!

- Make/draw the solar system
- Paint/draw an Anglo-Saxon – a king, warrior, villager
- Create a model of an Anglo Saxon village.
