

25th September 2023

Dear Teacher Applicant for St Dubricius CofE First School,

Thank you for your expression of interest in teaching at our wonderful little rural school within our Moorland Federation family. This teacher position is open to candidates who have experience teaching KS2, particularly Years 3 and 4. This also offers possibilities for growth as we are passionate about growing school leaders of the future. You have the opportunity to be part of this dynamic team within our wonderful village, Church school, but also play a part within a much larger organisation of our whole federation, which currently covers 8 schools across Taunton and West Somerset areas.

This maternity cover role allows for the right candidate to explore quality pedagogy and embed it within their inclusive classroom, developing practice that puts you at the forefront of educational theory. Our federation allows for our teachers to gain experience not only in just one setting, but through sharing good practice, across many different schools, from Non church to Church, from very small to large sites and teams. We are determined that this little school will be outstanding, just as we are for our whole federation. Our children deserve the best!

We are keen to hear from candidates who are passionate teachers, creative teachers, brave teachers, resilient teachers, teachers that think and wonder and put children at the heart of all they do. We want staff eager to learn themselves, someone we can invest in through professional development and someone we can grow into a school leader of the future. We want a team player, a 'can do' solution focused person, someone calm, kind, and resilient. We are all very excited to see who is out there ready to join this amazing school and our federation.

We invite applicants to provide a covering letter with their application form addressed to the Executive Head teacher, Naomi Philp, using the email address: recruitment@moorlandfed.co.uk by 10am on Friday 13th October for shortlisting at 11am. Interviews to be held on Tuesday 17th October. The covering letter should be no more than one side of A4 detailing your passion as an area that you would like to bring to our school and wider federation.

It is important that this post upholds our Christian Distinctiveness of our Church Schools and delivers on all our values, from day-to-day interaction to policy.

I look forward to your application for the Teacher position for St Dubricius CoE First School. This school has a truly bright future.

With warm wishes to you all,

Mrs Naomi Philp - **Executive Head teacher**
